Theme : Intensive care is all about
Personalised / Precise / Comprehensive Care

Date : 3rd June 2018, Sunday

Venue : Hyatt Ahmedabad,

Next to Ahmedabad One Mall,

Near Vastrapur Lake,

Vastrapur, Ahmedabad-380 015.

www.gujaratchriticalcare.com

Dr. Rajesh Mishra

M.B.B.S. M.D. (**Internal Medicine**)

FNBC (Fellow in National Board Critical Care Medicine)

EDIC (European Diploma in Intensive Care Medicine)

FCCP (Fellow in American College of Chest Physician)

FCCM (Fellow in American College of Critical Care Medicine)

FICCM (Fellow in Indian College of Critical Care Medicine)

Consultant Intensivist & Internist

Critical Care Medicine is drifting towards precise, personalized and comprehensive care. The concept of one size fits all, do no longer exist at present time. Intensivist has to brace themselves with the concept of $n=1$. That means every patient is unique and needs individualized care by knowing patient's physiology, environment, genetic constituent, pathogenesis, pharmacokinetics & pharmacodynamics.

SCIENTIFIC PROGRAM

7:30 - 8:15

Breakfast & Registration

8:15 - 8:30

Inauguration and inaugural remarks about theme - **Dr Yatin Mehta**

Hepatic

8:30 - 8:45

Physiology of Acute liver cell necrosis and its clinical correlation -**Dr. Vaishali Solao**

8:50 - 9:20

Case discussion on Fulminant hepatic failure

Moderator : Dr. Anuj Clerk

Panelist : Dr. Vaishali Solao, Dr. Khusrav Bajan, Dr. Yatin Mehta, Dr. Vijay Mishra, Dr. Minesh Mehta

Renal

9:25 - 9:40

Understanding Acute renal tubular dysfunction in septic and nonseptic shock and its clinical correlation. - **Dr. Suresh Ramasubban**

9:45 - 10:15

Case discussion on Sudden onset of Acute kidney injury (disease-specific diagnostic and management issues.)

Moderator : Dr. Srinivas Samavedam

Panelists : Dr. Anil Bhatt, Dr. B K Rao, Dr. Brajendra Lahkar, Dr. Ajith Kumar, Dr. Susruta Bandyopadhyay

Debate

10:20 - 10:55

Debate on early vs late RRT is immaterial - pro /con debate (15 minutes each and 5 minutes discussion)

Pro - Dr. Khusrav Bajan v/s Con - Dr. Anil Bhatt

Moderator : Dr. B K Rao, Dr. Yatin Mehta, Dr. Narendra Rungta, Dr. Kapil Zirpe, Dr. G. C. Khilnani

10:55 - 11:15

TEA

Gut

11:15 - 11:30

Physiology of Catabolism in short gut syndrome in the ICU and its clinical correlation - **Dr. Subhal Dixit**

11:35- 12:05

Case discussion - Faecal peritonitis - A nightmare for Intensivist and Gastro Surgeon.

Moderator : Dr. Sanjay Dhanuka

Panelists : Dr. Avinash Tank, Dr. Jigar Mehta , Dr. Banambar Ray , Dr. Yatin Mehta, Dr. Susruta Bandyopadhyay

Pancreas

12:10 - 12:25

Physiology of Acute Pancreatic changes and its clinical correlation - **Dr. B K Rao**

12:30 - 13:00

Case discussion on Acute Necrotising Pancreatitis (Disease specific management)

Moderator : Dr. Sheila Myatra

Panelists : Dr. Yash Javeri, Dr. Srinivas Samavedam, Dr. Ruchira Khasne, Dr. Avinash Tank, Dr. Saurabh Taneja

Autoimmune

13:00 - 13:15 Physiology of Acute fulminant autoimmune dysfunction and its clinical relevance
- **Dr. Reena Sharma**

13:15 - 14:00 **LUNCH**

14:00 - 14:30 Case discussion on Fulminant diffuse alveolar hemorrhage
Moderator : Dr. G. C. Khilnani
Panelists : Dr. Harjit Dumra, Dr. Suresh Ramasubban, Dr. Saurabh Taneja,
Dr. Manoj Singh, Dr. Kapil Borawake.

Brain Dead Donor

14:35 - 14:50 Physiology of brain Dead Donor in ICU and its clinical correlation
- **Dr. Pradeep Bhattacharya**

14:50 - 15:20 Case specific management of brain-dead donor and optimizing organ retrieval
Moderator : Dr. Kapil Zirpe
Panelists : Dr. G. C. Khilnani , Dr. Yatin Mehta , Dr. Srinivas Samavedam,
Dr. Banambar Ray, Dr. Chirag Matravadia

Coagulopathy in ICU

15:25 - 15:55 Case of Life-threatening bleeding - Management issues
Moderator : Dr. Narendra Rungta
Panelists : Dr. Ajith Kumar, Dr. Pradeep Bhattacharya, Dr. Vijay Mishra,
Dr. Ruchira Khasne, Dr. Subhal Dixit

16:00 - 16:15 Understating Coagulation pathway in perspective of critically ill patients and its clinical correlation – **Dr. Yash Javeri**

Endocrine dysfunction in ICU

16:15 - 16:30 Physiology of Steroid deficiency in the ICU patient. and its clinical relevance
-**Dr. Ganshyam Jagathkar**

16:30 - 17:00 Case of DKA & HONK (Target specific management - focus on changing the fluid constituents)
Moderator : Dr. Khusrav Bajan
Pannelist : Dr. Vivek Arya, Dr. Kapil Borawake, Dr. Brajendra Lahkar,
Dr. Kapil Zirpe, Dr. Ganshyam Jagathkar
