

10th GCC-2019

GUJARAT CRITICAL CARE CONFERENCE

Theme : Learning from Legends

10th GCC-2019

GUJARAT CRITICAL CARE CONFERENCE

Journey of decade! Resilient but satisfying!

"Knowledge can be acquired through educational institutions, through life experiences, through learning about men of wisdom and their works. But the best way to attain awareness is through one's own thinking; Chanakya called this method 'Aanvikshiki' - the science of strategic thinking.

The theme "learning from legends" of the 10th GCC 2019 has been taken keeping this aspect of learning in mind. I believe the saga shared here would enable a proactive and creative dialogue."

Rajesh Mishra

Dr. Rajesh Mishra

M.B.B.S. M.D. (Internal Medicine)

FNBC (Fellow in National Board Critical Care Medicine)

EDIC (European Diploma in Intensive Care Medicine)

FCCP (Fellow in American College of Chest Physician)

FCCM (Fellow in American College of Critical Care Medicine)

FICCM (Fellow in Indian College of Critical Care Medicine)

FICP (Fellow in Indian College of Physicians)

Consultant Intensivist & Internist

FACULTIES

Dr. A K Singh
Kanpur

Dr. Anirban Choudhury
Delhi

Dr. Anil Jain
Ahmedabad

Dr. Ashit Hegde
Mumbai

Dr. Atul Kulkarni
Mumbai

Dr. Banambar Ray
Bhubaneswar

Dr. Bharat Jagiasi
Mumbai

Dr. Deepak Govil
Delhi

Dr. G C Khilnani
Delhi

Dr. Ganshyam Jagathkar
Hyderabad

Dr. Harjit Dumra
Ahmedabad

Dr. Jose Chako
Bangaluru

Dr. Kanwalpreet Sodhi
Ludhiana

Dr. Kapil Borawake
Pune

Dr. Kapil Zirpe
Pune

Dr. Khalid Katib
Pune

Dr. Khusrav Bajan
Mumbai

Dr. Manish Munjal
Jaipur

Dr. Narendra Rungta
Jaipur

Dr. Neeta Bose
Vadodara

FACULTIES

Dr. Nita George
Kochi

Dr. Om Shrivastava
Mumbai

Dr. Pradip Bhattacharya
Bhopal

Dr. Prakash Shastri

Dr. Yatin Mehta
Delhi

SCIENTIFIC PROGRAM

SESSION-1

| | |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8:30 - 10:45 | Motivational clinical story from legends for understanding their journey as intensivist. <i>(Practice defying cases, Medico-legal issues, Communication error, Biggest Clinical Mistake, Milestones!!!)</i> Session Co-ordinators : Dr. Manish Munjal & Dr Simant Jha |
| 8:30 - 8:45 | Understanding Pathophysiology - Key to the management of Aluminium poisoning (Celphos). Dr. Narendra Rungta |
| 8:45 - 9:00 | My journey through the worst nightmare cases of my life. Dr. Banambar Ray |
| 9:00 - 9:15 | My journey from Escorts (EHIRC) to Medanta the Medicity. Dr. Yatin Mehta |
| 9:15 - 9:30 | My life as a cardiac surgeon - The past , the present and the future. Dr. Anil Jain |
| 9:30 - 9:45 | "Inspirational Moments From Intensive Care." Dr. Jose Chacko |
| 9:45 - 10:00 | What I have learnt in the management of ARDS in the last 30 years. Dr. Rajesh Chawla |
| 10:00 - 10:15 | "The Road to Hell" - Not easy to travel for the Intensivist. Dr. Ashit Hegde |
| 10:15 - 10:45 | ASK US ANYTHING ?- MCQ from moderators , voting from delegates and explanation from legends. Delegates can ask any question. Moderators : Dr. Sanjay Dhanuka & Dr. Pradip Bhattacharya Panelists : Dr. Ashit Hegde, Dr. Banambar Ray, Dr. Yatin Mehta, Dr. Jose Chacko, Dr. Rajesh Chawla, Dr. Narendra Rungta |
| 10:45 - 11:00 | TEA BREAK |

SESSION-2

| | |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 11:00 - 12:20 | Critical Care Physiology (learning tricks how to handle those conditions which are not supported by evidence) Session Co-ordinators : Dr. Kanwalpreet Sodi & Dr. Ruchira Khasne |
| 11:00 - 11:15 | Molecular mechanism of thrombocytopenia in ICU patients (post viral, post bacterial) and it's therapeutic implications. Dr. Pradip Bhattacharya |
| 11:15 - 11:30 | Ventricular Interdependence; It's clinical and physiological implication in hemodynamic monitoring. Dr. Atul Kulkarni |
| 11:30 - 11:45 | Spontaneous ventilation / NIV : Induced Lung Injury; recognition and clinical implication. Dr. Sameer Jog |

| | |
|---------------|----------------------------------------------------------------------------------------------------------|
| 11:45 - 12:00 | T cell dysfunction in sepsis and its therapeutic & prognostic implications. Dr. Om Shrivastava |
| 12:00 - 12:20 | Discussion : MCQ on above topics, voting by delegates and explanation by faculties. |

SESSION-3

| | |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 12:20 - 17:40 | Interactive case discussion between moderator and panelist based on typical super specialty exam pattern with voting facility for audience. Session Co-ordinators : Dr. Ruchira Khasne & Dr. Kanwalpreet Sodhi |
| 12:20 - 13:00 | Case 1 : Acute Fulminant GBS (Guillain-Barré syndrome) in ICU - approach, management and weaning difficulty. Moderator : Dr. Kapil Zirpe Panelists : Dr. Swagata Tripathi, Dr. Sunil Karanth, Dr. Anirban Choudhury, Dr. Nita George. |
| 13:00 - 13:40 | Case 2 : Approach to a case of abdominal pain, fever & dysuria. Moderator: Dr. Subhash Todi Panelists: Dr. Om Shrivastava, Dr. Pratibha Dileep, Dr. Vandana Sinha, Dr. Sanjay Dhanuka. |
| 13:40 - 14:20 | LUNCH BREAK |
| 14:20 - 15:00 | Case 3 : Approach & management issues in a case of Moderate Pulmonary Embolism (Do's & Don't) Moderator: Dr. Prakash Shastri Panelists: Dr. Harjit Dumra, Dr. A K Singh, Dr. Kanwalpreet Sodhi, Dr. Neeta Bose |
| 15:00 - 15:40 | Case 4 : Medical Management of Polytrauma - from triage to tertiary care Moderator: Dr. Khusrav Bajan Panelist : Dr. Ritesh Shah, Dr. Ruchira Khasne, Dr. Ganshyam Jagathkar, Dr. Bharat Jagiasi |
| 15:40 - 16:20 | Case 5 : A Case of Life Threatening bleeding in patients on anti -platelets (Ecosprin & Clopidogrel) Moderator : Dr. Srinivas Samavedam. Panelists : Dr. Ganshyam Jagathkar, Dr. Kapil Borawake, Dr. Khalid Khatib, Dr. Vandana Sinha |
| 16:20 - 17:00 | Case 6 : Implications of ISCCM guidelines on antibiotic prescription in a case of unknown sepsis/ septic shock in Indian ICU . Moderator: Dr. G C Khilnani Panelists: Dr. Yash Javeri, Dr. Anirban Choudhury, Dr. Swagata Tripathi, Dr. Atul Kulkarni, Dr. Simant Jha |
| 17:00 - 17:40 | Case 7 : USG GUIDED APPROACH TO A CASE OF SHOCK. Moderator: Dr. Deepak Govil Panelists -Dr. Sunil Karanth, Dr. Jose Chako, Dr. Ranajit Chatterjee, Dr. Sameer Jog |
